

Big Spring

Swimming & Diving

Dear Parents,

The Big Spring Aquatic club and the Big Spring High School Swimming and Diving team seek to promote the numerous accomplishments of our students, faculty, and staff. Three area newspapers regularly report school district news and Big Spring's own school publications, the school District's web page and www.swimbigspring.org feature stories and pictures about the success and accomplishments of our athletes, staff and parent volunteers. We look forward to publicizing the accomplishments of our athletes and want to include all of our athletes in such recognition.

If you do not object to having your athlete's name and photograph appear in school district newspaper articles and features, in other newspaper articles and features and **if you do not object** to having information and/or photographs about your child appear on either the District's web page or www.swimbigspring.org , **you need do nothing**. However, **if you do object** to having your athlete's name and photograph appear in school district newspaper articles and features, in other newspaper articles and features and if you do object to having information and/or photographs about your child appear on either the District's web page or www.swimbigspring.org. **I ask respectfully that you sign the Photography, Publicity, and Web Page Refusal Form that appears below**. If you sign the form, I ask that you please return the form to Coach Bill or Coach Stover. If you have any questions about this message or the Photography, Publicity, and Web Page Refusal Form, I ask that you contact one of the coaches or BSAC board members.

In addition, I want to assure you that the athletes who are used in web pictures on www.swimbigspring.org will never be identified by full name and that pictures will be posted for a relatively short period of time (most likely a week or two), in order to allow us the opportunity to post different images as the season progresses.

Sincerely,

Coach Bill
